9. Read the following passage carefully and answer the question given below:

By culture I mean the way of life of particular people living together in one place. That culture is visible in their arts, social system, habits, customs and religion. So we can say that it is an aggregate of customs, institutions, manners, standards, crates, morals and beliefs. And the most Significant point about culture is that it gains its shape over a period of time.

- (a) Give a suitable title to the passage.
- (b) According to the author of the passage, what contributes in the making of the culture?
- (c) What does the author highlight at the end of the passage?
- (d) Define culture in your own words.
